

MONTGOMERY COUNTY VISITORS & CONVENTION BUREAU 2023 COOPERATIVE MARKETING GRANT PROGRAM

The Montgomery County Visitors & Convention Bureau has developed a Cooperative Marketing Grant Program open to any tourism related business or event that advertises outside the county and meets the established program criteria.

This effort will leverage the Montgomery County VCB marketing funds while assisting businesses and events in individual marketing efforts. The source of funding for this program is the county Innkeepers Tax.

For the 2023 calendar year, \$2,000 has been designated for this effort. Once those funds are exhausted, no additional funds will be available until the following year, providing the budget allows. Cooperative Marketing Grant requests are evaluated by the MCVCB Management Team and Board of Directors.

Cooperative Marketing Grant Criteria:

- Individual Montgomery County tourism based businesses or events can apply for a 50/50 match/reimbursement toward **paid advertising** for markets outside of Montgomery County (100 miles or more).
- Participating businesses or events make the decision where to put marketing message(s), in what target or geographic markets, at what level, etc.
- The participating businesses or events must provide in their paid advertising space the following: ***Sponsored by Visit Montgomery County www.visitmoco.com or, For Area Information go to www.visitmoco.com.***
- The Cooperative Marketing Grant program is not for the printing of brochures or flyers, rack cards or other printed materials.
- The maximum cooperative match is \$800 per qualifying business or event during the calendar year January – December.
- All reimbursement requests must be received by **December 1st** in order to be reimbursed under the current 12 month cycle.
- This program is not guaranteed to continue year after year and is dependent on the amount of budgeted innkeepers tax collections for the year and the allocation by the Montgomery County Convention & Visitors Commission.
- Cooperative Marketing Grant funds are awarded on a per project basis. For each marketing effort made by the business, a new form must be submitted along with a sample of the advertisement, invoice and proof that the invoice has been paid in full.

Marketing efforts that do **NOT** qualify for the Cooperative Marketing Grant Program are:

- Local radio stations, however if the majority of the air-span of the radio station reaches 100 miles or more, it will qualify.
- Printed flyers, brochures, rack cards, coupons or other printed material
- Local newsprint. **Remember, the MCVCB is funded by innkeeper's tax only; efforts must be placed in increasing either length of stay or creating a new overnight visitor.**
